... specific to CMM 10 without host level processing **requirements**. ...
performance of certain **certification** procedures, including calculations of distance ...

Three dimensional coordinate measuring apparatus

US Pat. 5794956 - Filed Nov 18, 1996 - Faro Technologies, Inc.

9 10 At any time during the measurement **process**, a variety of digital counting board 186 which is a ... connector 176 for an level processing **requirements**. ...

Coordinate measurement machine with articulated arm and software interface

US Pat. 6366801 - Filed Jan 12, 1999 - Faro Technologies Inc.

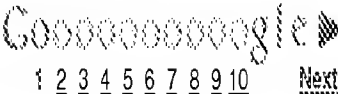

10 At any time, during the measurement **process**, a variety of communication and ... **requirements**. Typical examples of such preprocessor calculations include ...

Fixture gauge and method of manufacturing same

US Pat. 5412877 - Filed May 11, 1993

During the **certification process**, the gauge 20 is placed on the table (not shown) of a CMM and a contact type probe tip 124 carried on an arm 130 is guided ...
